

5-8 OCT 2025 TACCONF QUÉBEC		Technical Program Sessions Schedule Québec City Convention Centre Subject to change. Last updated August 15, 2025												5-8 OCT 2025 TACCONF QUÉBEC	
TITLE		SUN, OCT 5	MON, OCT 6				TUE, OCT 7				WED, OCT 8				
Session Types: Presentation Session (PS), Panel Discussion (PD), Workshop (WS)		13:00-16:00	8:30-10:00	10:30-12:00	14:00-15:30	16:00-17:30	8:30-10:00	10:30-12:00	14:00-15:30	16:00-17:30	8:30-10:00	10:30-12:00	13:15-14:45	15:15-16:45	
Special	Opening Plenary Session														
	Organized in collaboration with PIARC National Committees of Québec and Canada														
	PIARC International Winter Service Workshop: Innovations and Environmental Solutions for Resilient Roads (PD)														
Environment & Climate Change	Organized by the Climate Change Integrated Committee														
	CC - Climate Vulnerability and Resilience: Getting Out in Front (PS)														
	CC - Decarbonizing the Transportation Sector (PS)														
	CC - Emergency Preparedness in the Face of Climate Change and Extreme Weather Events (PD)														
	Organized by the Environment Council														
	EN - Cultural Heritage Management (PS)														
	EN - Designing for Fish Passage: Critical Insights (PS)														
	EN - Fish Habitat Offsetting: Strategies and Successes (PS)														
	EN - Integrating Environmental Gains into Project Design (PS)														
	Infrastructure & Asset Management	Organized by the Asset Management Committee													
AM - Bridging Gaps in Asset Management (PS)															
AM - Corporate Asset Management Systems (PS)															
AM - Fostering a Culture of Asset Management: Lessons Learned (PD)															
AM - Incorporating Sustainability in Asset Management (PS)															
AM - New Technologies in Asset Management (PS)															
Organized by the Construction Committee															
CO - Cost-Effective Construction Solutions for an Aging and Underfunded Network (PS)															
Organized by the Utilities Management Subcommittee															
CO - Solving Utility Conflicts on Projects (WS)															
CO - Speed Bumps on the Road to Utility Coordination (PD)															
CO - Utility Coordination on Projects (PS)															
Organized by the Maintenance & Operations Committee															
MO - Driving Change in Maintenance and Operations (PS)															
MO - Innovation in Maintenance and Operations (PS)															
MO - Sustainable Road Maintenance (PS)															
Organized by the Pavements Committee															
PV - Designing, Building and Managing a Sustainable Pavement Network (PS)															
PV - Pavement Sustainability and the Vehicles of Tomorrow (PS)															
PV - Technology Advancements in Pavement Engineering (PD)															
Organized by the Soils & Materials Committee															
SO - Advancements in Testing, Modelling and Innovation for Roadway/Embankment Materials and Geotechnical Engineering (PS)															
SO - Innovations in Materials and Construction Methods for Sustainable Pavements (PD)															
Organized by the Structures Committee															
ST - Transportation Structures (PS)															
ST - Updates to Canadian Highway Bridge Design Code (CSA S6:25) (PD)															
Mobility	Organized by the Active Transportation Integrated Committee														
	AT - Active Transportation Facility Maintenance and Operations (PS)														
	AT - Active Transportation in Small Municipalities and Rural Areas (PS)														
	AT - Bicycle Priority Roundabouts in Canada: A Friendly Debate (PD)														
	AT - Connecting Active Transportation Networks by Connecting People (WS)														
	AT - Low-Speed Corridors as Complete Streets (PS)														
	AT - Pedestrian-Centred Design (PS)														
	AT - Post-Implementation Evaluations (PS)														
	AT - Technology, Signals and Active Transportation (PS)														
	Organized by the Mobility Management Committee														
	MM - Mobility Hubs: Approaches for Seamless Trip Connections (PS)														
	MM - Shared Micromobility Services: Building on the TAC Publication (WS)														
	MM - Standardization and Analysis of Mobility Data: Making Sense of the Curbside and Right of Way (PD)														
	MM - TDM Strategies in a Post-Pandemic World (PD)														
	Organized by the Transportation Finance Committee														
	TF - Effective and Efficient Requests for Proposals (PD)														
	TF - Sustainable Transportation Infrastructure: From Strategy to Maintenance (PS)														
	Organized by the Transportation Planning Committee														
	TP - Complete Networks: Fitting into the Bigger Picture (PS)														
TP - Decision Making, Evaluation and Monitoring (PS)															
TP - Health and Equity in Transportation (PS)															
TP - Innovations in Transportation Modelling (PS)															
TP - Strategic Transportation and Land Use Planning (PS)															
TP - Transit and Transportation Planning (PS)															

5-8 OCT 2025 QUÉBEC		Technical Program Sessions Schedule Québec City Convention Centre												5-8 OCT 2025 QUÉBEC			
TACCONF		Subject to change. Last updated August 15, 2025														TACCONF	
TITLE		SUN, OCT 5	MON, OCT 6				TUE, OCT 7				WED, OCT 8						
Session Types: Presentation Session (PS), Panel Discussion (PD), Workshop (WS)		13:00-16:00	8:30-10:00	10:30-12:00	14:00-15:30	16:00-17:30	8:30-10:00	10:30-12:00	14:00-15:30	16:00-17:30	8:30-10:00	10:30-12:00	13:15-14:45	15:15-16:45			
Safety, Design & Operations	Organized by the Geometric Design Committee																
	GD - All Highways Great and Small: Interchanges, Major Facilities, and Two-Lane Highways (PS)																
	GD - Confined Corridors and Intersections (PS)																
	GD - Unconventional Intersections and Roundabouts (PS)																
	GD - Urban Design Challenges: Accessibility, Vision Zero and Complete Streets (PS)																
	Organized by the Road Safety Committee																
	RS - Road Safety Analysis (PS)																
	RS - Road Safety Planning, Safe System and Vision Zero (PS)																
	RS - Safety for Young Road Users (PD)																
	Organized by the Vision Zero & Safe System Subcommittee																
	RS - Exploring the Role of NGOs in Road Safety (PD)																
	RS - Road Safety in Construction and Temporary Work Zones (PS)																
	Organized by the Small Municipalities Integrated Committee																
	SM - Sustainable Planning and Design Approaches in Small Municipalities (PS)																
	Organized by the Traffic Operations and Management Committee																
	TO - #InnovativeTrafficControl (PS)																
Technology	Organized by the Connected & Automated Vehicles Integrated Committee																
	CV - Connected and Automated Vehicles: The Role of the Public Sector (PD)																
	CV - Connected Vehicle Technologies: Improving Safety for Other Modes (PD)																
	Organized by the Digital Applications Committee																
	DA - Artificial Intelligence for Digital Applications (PS)																
	DA - Data Governance, AI and the Future of the Transportation (PD)																
	DA - Digital Twinning for Transportation Assets (PS)																
	DA - Transportation Data and Analytics (PS)																
	Organized by the Intelligent Transportation Systems Committee																
	IT - Innovations in Intelligent Transportation Systems (PS)																
IT - Rural ITS Opportunities and Challenges (PD)																	
Workforce Development	Organized by the Education Committee																
	ED - Tackling Today's Challenges in Transportation: An Intergenerational Discussion (PD)																
	Organized by the Human Resources Committee																
	HR - Collaborative Strategies for Recruitment, Retention and Skills Development (PD)																
	Organized by the Professional Development Committee																
	PD - Developing Your Employees: Coaching vs. Mentoring (PD)																
	PD - Empowering the Next Generation: Building Impactful Young Professional Programs (PD)
