- My submission is provided with the understanding that it is substantially different from any presentations or papers delivered through other organizations (*for presentation and lightning sessions only*).
- I understand that my submission must not favour special interests, be of a commercial nature, or promote proprietary products or services.
- All costs related to participating in the 2026 TAC Conference & Exhibition, including for Conference registration fee, accommodation and travel, are my sole responsibility.
- I have read the [Guidelines for Presenters and Authors: Preparing Slide Decks and Papers](#), and I agree to adhere to them if my abstract is accepted (*for presentation and lightning sessions only*).
- I assign TAC the right to publish and distribute the final version of all abstracts, slide decks and papers submitted. Authors may share or distribute their final paper, if it is the same version provided to TAC and published on TAC's website.
- TAC may record, edit and otherwise reproduce my presentation (including voice, image and slide deck; collectively, the "Authorized Material") at the 2026 TAC Conference & Exhibition, and use it in various formats or manners as it sees fit. Copyright ownership of the Authorized Material, including the right to reproduce and edit (not alter) it, is granted to TAC in perpetuity. No monetary or other claims will be made against TAC for its use of the Authorized Material, and I waive any right to inspect or approve a finished product wherein my voice and image appear.
