Technical Program Sessions Schedule | Québec City Convention Centre Subject to change, Last updated April 14, 2025

5-8 O	Technical Program Sessions Schedul Subject to change. Last of			-		entio	n Cent	tre					02 C(
	TITLE	SUN,	OCT 5		MON,	OCT 6			TUE,					ост 8	
ssior	Types: Presentation Session (PS), Panel Discussion (PD), Workshop (WS)	13:00	16:00	8:30- 10:00	10:30- 12:00	14:00- 15:30		8:30 - 10:00	10:30 - 12:00	14:00- 15:30	16:00- 17:30	8:30 - 10:00		13:15- 14:45	- 15:15 16:45
Special	Opening Plenary Session														
	Organized in collaboration with PIARC National Committees of Québec and Canada					1								1	
	PIARC International Winter Service Workshop (PD)														
nge	Organized by the Climate Change Integrated Committee	r		r		1									
Cha	CC - Climate Vulnerability and Resilience: Getting Out in Front (PS)												1		
ate	CC - Decarbonizing the Transportation Sector (PS)										1				
, Ei	CC - Emergency Preparedness in the Face of Climate Change and Extreme Weather Events (PD)														
Environment & Climate Change	Organized by the Environment Council	1											1		1
	EN - Cultural Heritage Management (PS)														
uno	EN - Designing for Fish Passage: Critical Insights (PS)														-
, vir	EN - Fish Habitat Offsetting: Strategies and Successes (PS)														
۵	EN - Integrating Environmental Gains into Project Design (PS)														
	Organized by the Asset Management Committee AM - Asset Performance Reporting: A Cross-Jurisdictional Comparison (PD)														Т
	AM - Corporate Asset Management Systems (PS)											-			+
						-									+
	AM - Fostering a Culture of Asset Management: Lessons Learned (PD)														+
	AM - Incorporating Sustainability in Asset Management (PS)														
	AM - New Technologies in Asset Management (PS) Organized by the Construction Committee														
	CO - Cost-Effective Construction Solutions for an Aging and Underfunded Network (PS)	r													Τ
Ħ	Organized by the Utilities Management Subcommittee														
me	CO - Solving Utility Conflicts on Projects (WS)														Τ
lage	CO - Speed Bumps on the Road to Utility Coordination (PD)														-
Mar	CO - Utility Coordination on Projects (PS)														
set	Organized by the Maintenance & Operations Committee														
k As	MO - Driving Change in Maintenance and Operations (PS)														
ire 8	MO - Innovation in Maintenance and Operations (PS)														
lotu	MO - Sustainable Road Maintenance (PS)														
Istru	Organized by the Pavements Committee													1	
Infrastructure & Asset Management	PV - Designing, Building and Managing a Sustainable Pavement Network (PS)														
-	PV - Pavement Sustainability and the Vehicles of Tomorrow (PS)														
	PV - Technology Advancements in Pavement Engineering (PD)														
	Organized by the Soils & Materials Committee				-	1				-					_
	SO - Advancements in Testing, Modelling and Innovation for Roadway/Embankment Materials and Geotechnical Engineering (PS)														
	SO - Innovations in Materials and Construction Methods for Sustainable Pavements (PD)														
	Organized by the Structures Committee													1	
	ST - Transportation Structures (PS)										1				
	ST - Updates to Canadian Highway Bridge Design Code (CSA S6:25) (PD)														
	Organized by the Active Transportation Integrated Committee	r –				r –							1		
	AT - Active Transportation Facility Maintenance and Operations (PS)														
	AT - Active Transportation in Small Municipalities, Rural Areas and Indigenous Communities (PS)														
	AT - Bicycle Priority Roundabouts in Canada: A Friendly Debate (PD)														
	AT - Connecting Active Transportation Networks by Connecting People (WS)												1		
	AT - Low-Speed Corridors as Complete Streets (PS)														
	AT - Pedestrian-Centred Design (PS)														
	AT - Post-Implementation Evaluations (PS)														
	AT - Technology, Signals and Active Transportation (PS)														
×.	Organized by the Mobility Management Committee														
	MM - Making Sense of the Curb: Aggregation and Analysis of Curbside Data (PD)												<u> </u>		<u> </u>
Mobility	MM - Mobility Hubs: Approaches for Seamless Trip Connections (PS)												-		-
δ	MM - Shared Micromobility Services: Building on the TAC Publication (WS)			-				-							
	MM - TDM Strategies in a Post-Pandemic World (PD)														
	Organized by the Transportation Finance Committee	- -	_	_	_	-	- 	_	_		-		-		_
	TF - Effective and Efficient Requests for Proposals (PD)												-		
	TF - Sustainable Transportation Infrastructure: From Strategy to Maintenance (PS)														
	Organized by the Transportation Planning Committee														
	TP - Complete Networks: Fitting into the Bigger Picture (PS)														
	TP - Decision Making, Evaluation and Monitoring (PS)														+
	TP - Health and Equity in Transportation (PS)												1		-
	TP - Innovations in Transportation Modelling (PS)														-
	TP - Strategic Transportation and Land Use Planning (PS)														1
	TP - Transit and Transportation Planning (PS)	I
